

## Doğu-Batı Çatışması Açısından Globalleşme

Doç. Dr. H. Bayram KAÇMAZOĞLU

### Abstract

The aim of this study is to examine one of the popular objects of the social science, namely globalization, in the East-West conflict theory. Globalization is seen as a new phase of the capitalist Western world system's domination of the world which had started in the 16<sup>th</sup> century and had seen various steps. In this paper, it has been stated that globalization has been working only in the interest of western societies leaving other societies apart. Therefore in the light of this new phenomenon different approaches and alternatives are needed to solve the problem.

**Key Words:** Globalization, capitalism, exploitation, conflict
